Topics Covered

Open House

The MPHA Executive will be hosting an Open House as an information night to answer questions and provide information for returning players and any new interested players. Open House will be held on Wednesday July 6th in the NEMI Rec Center lobby. Ashley will set up a display with past apparel, banners, photos. Tamey will reach out to some Alumni that can be there to answer any possible questions from players and parents. Marcie will get refreshments.

Executive Nominations

As of now we have no new nominations submitted for any available rolls on the Executive. We need people to help run the upcoming season. Deadline for nominations is Wednesday July 6th.

Deadline for Coaching Applications

As we have received so few applications to date, we have agreed to extend the deadline for submitting coaching applications to Sunday July 3rd for all divisions with the exception of U13 as we have received multiple applications for that division. Motioned by Ashley, seconded by Marcie so it is unanimous that the deadline be extended to the end of next month.

Coaching Interviews

Once the deadline for Coaching Applications comes, we would like to hold the interviews as soon as possible to get coaches announced. It was suggested that we have Dustin Peltier

conduct the interviews as he is unbiased and more than qualified to interview the potential coaches. Brent Assinewai will assist him as Brent is also unbiased and qualified to help.

Motioned by Marcie, seconded by Ashley, unanimously decided that Dustin and Brent will conduct our coaches interviews.

U18 Team

There has been a couple inquires regarding a U18 team for the upcoming season. We will have to apply to have a spot for this team in the league with the NOHA so we would like to get a confirmation of coaching and player interest so we can get the process started. Holding an interest meeting was discussed so we will look at setting up an interest night along the lines of the open house to answer any questions and see what kind of response that we get from that age group.
